

## Registration 2010—Porsche Parade St. Charles, Illinois

Version March 4, 2010

The 55<sup>th</sup> Porsche Parade will be held in St. Charles, Illinois Saturday, July 3<sup>rd</sup> – Friday July 9<sup>th</sup>, 2010. Rules pertaining to the Parade, and registering for the Parade, are outlined in the Parade Competition Rules (PCRs). The PCRs can be found on the PCA website [www.pca.org](http://www.pca.org) under Regions/Forms and Documents.

### **Prior to Registering**

We encourage you to read through this registration document. It will help you to plan your events with your co-entrant before you register on-line.

Ensure you have an account for the member only portion of [www.pca.org](http://www.pca.org). You will need to login to register for Parade. Check to see that all your information is correct, especially your email! All pre-Parade materials are sent to you via email, and/or are posted to the Parade website <http://parade2010.pca.org>.

Before you register, at the very least, you will want to know:

- Your meal selections
- Volunteer selections and T shirt sizes for volunteers
- Competitive event selection for each participant, and the class for each event
- Ages of all children attending
- Do you want to participate in any tours or other special events?

### **Registration**

Registration for the 2010 Porsche Parade opens on Tuesday, March 9<sup>th</sup> 2010. All registrations entered on-line or postmarked before midnight Thursday March 11<sup>th</sup> will receive equal priority.

If you register on-line, you must pay with a VISA or MasterCard in U.S funds. If you send in your registration form via the USPS, you may pay with a check, money order, VISA or Master Card. Any returned checks or rejected credit cards will result in cancellation of your registration. **Registrations post marked prior to March 9<sup>th</sup> 2010 will not be accepted.** We highly recommend that you register on-line.

All fees paid will be recorded and deposited at the time of registration. Payment of the fees does not indicate acceptance of your registration. You will be notified by email in April 2010 regarding your registration status. In the unlikely event that your registration is not accepted, you will receive a full refund. In case of Parade over-subscription, the formula in the Region Procedures Manual will be used to determine entrants.

Parade registrations are not transferable. Fifty percent (50%) of your registration fee and 100% of your banquet fees will be refunded if your emailed cancellation request is received on or before June 23, 2010. There is no refund for cancellations made after June 23<sup>rd</sup>. You may make changes to your registration at any time before June 23<sup>rd</sup>.

Registrations received after June 1<sup>st</sup>, but prior to June 23<sup>rd</sup> will be assessed a \$50 late fee.

**Advance registration is mandatory—there is no on-site registration during the Parade.**

## **Registration Fees**

Everyone signing up for the Parade must pay a registration fee of \$149, which covers the entrant and co-entrant. Entrants and co-entrants must be PCA Members, but they need not be family or affiliate members. This fee pays for your admittance to the Parade, registration materials, goodie bag, etc. Specific events may have additional fees. An entrant may only enter one car, and only Porsches as defined in the PCR's may be registered. However, if a Porsche that is not legal for street use is registered, a second Porsche may be registered for use in the Rally only.

JPP/CAFP entrants:	\$29/each
Other family members:	\$29/each

JPP (Junior Participant Program) entrants are the sons or daughters of PCA members who are 16 or 17 years old. CAFP (College-Aged Family Program) entrants are the sons or daughters of PCA members who are 18-24 years old. Other family members must be immediate family only. Only the entrant, co-entrant and JPP/CAFP entrants may enter the competitive events (except children ages 13-15 may register for the Tech Quiz). If other family members are PCA Members, they must submit their own registration and pay their own registration fee to enter the competitive events. JPP and CAFP entrants are required to drive the same automobile as their parents and in the same respective men's and ladies classes as their parents.

### **Competitive Event Fees:**

\$30/per <b>car</b> for Concours
\$30/per <b>person</b> for Autocross
\$15/per <b>person</b> for Tech Quiz
\$15/ per <b>car</b> for TSD Rally

## **Check-in**

Registrants should check-in for the Parade Saturday, July 3<sup>rd</sup> between the hours of 8 am and 5 pm. This is the only time all the event chairs will be together to answer all of your questions, and ensure you and your car are correctly classified for the competitive events. At Check-in you will select your seats for the two formal banquets—the Concours and Victory dinners, receive your goodie bag, name badges (required for entrance to all the activities), and meet old and new friends.

**Onsite Check-in is mandatory before participation in events, and there are deadlines for checking in prior to the competitive events.** While late check-in is available during the week; the most rewarding Parade experience begins with checking in on Saturday and missing a deadline means you will not be able to compete. See the Parade Competition Rules on [www.pca.org](http://www.pca.org) for details.

## **Banquet Tickets**

Select the banquets you wish to attend when you register or any time prior to June 23<sup>rd</sup>. You may purchase a package for all the meals/food related events or you may purchase each individually. The package does not include children's (age 12 and under) meals, which must be purchased individually.

Vegetarian and special dietary needs meals will be available by special request.

## **Competitive Events**

### **TSD Rally**

Entrants, along with any other entrant or co-entrant, may participate in the Rally in any street-legal Porsche that is registered for the Parade. JPP and CAFPP participants must participate with their parents.

### **Concours**

Only the Porsche registered for Parade by the entrant may compete in the Concours.

### **Autocross**

All Porsches entered in the autocross must pass the Parade safety inspection. Entrants, co-entrant, JPP and CAFPP entrants must drive the Porsche they have registered for the Parade, unless otherwise allowed by the PCRs.

### **Tech Quiz**

Any entrant, co-entrant, registered child ages 13-15, JPP or CAFPP entrant may compete in the Tech Quiz.

Thank you!

## **Porsche Concours d'Elegance and Porsche Corral – Sunday, July 4<sup>th</sup>**

### **Concours cost - \$30 per car**

The Concours d'Elegance will be held on the beautiful tree-lined first fairway of the resort golf course. The fantastic collection of Porsches from all over the United States and Canada will be just steps away from the resort. Three events in one, the cars on the field will be competitively judged, gathered for display in the car corral, or shown in the Heritage and Historic car display as a part of this world class event.

In addition to the Porsche Concours d'Elegance, there will be a Porsche Corral. The Corral will be a large area at the Concours site reserved for a non-judged display of members' cars grouped by similar models. There is no fee to display your Porsche in the Corral.

Entrants may enter either the Porsche Concours or the Porsche Corral with their registered Porsche. Parade entrants may enter the Porsche Corral with another Porsche if the registered Porsche is entered in the Concours.

Will you participate in the Porsche Concours with the Registered Porsche? ☐ Yes ☐ No

## **TSD Rally – Monday, July 5<sup>th</sup>**

### **TSD Rally cost - \$15 per car**

The TSD rally will explore the beautiful countryside outside of St. Charles. Our veteran Parade rallymasters will have something for all levels of rallyists; beginners will find the checkpoints without stress, and the experts will have some challenges on their way to a good score. The start and finish will be at the Pheasant Run facilities, so whether you start early or late, you'll still be back in time to enjoy the Ice Cream Social. Don't forget to attend the TSD rally school the day before, where rally experts will cover both basic and advanced rally topics to help you prepare.

Will your Porsche participate in the TSD Rally?

☐ Yes ☐ No

Only the entrant who is bringing the rally Porsche should register for the rally. If you are driving or navigating another Parade entrant's Porsche, the other entrant must register for the rally and include your name on their rally registration. Junior Participation Program (JPP) members may not drive in the Rally but may navigate with either of their parents driving. College Age Family Program (CAFP) members may either drive or navigate in the rally.

For TSD Rally, the vehicle must be the Registered Porsche (or the second Porsche identified as non-Parade Registered Porsche, if the Registered Porsche is not street-legal).

Which Porsche will be used in the TSD Rally? ☐ Registered Porsche ☐ Second Porsche

## **Gimmick Rally – Tuesday, July 6<sup>th</sup>**

### **Gimmick Rally cost - \$10 per car**

Will you participate in the Gimmick Rally?

☐ Yes ☐ No

The Gimmick Rally is designed to provide a scenic, relaxing and fun afternoon for everyone, including families. Our theme this year is centered on what was the first and most famous transcontinental “all-weather” road, the Lincoln Highway, begun in 1913, which passes through St. Charles and neighboring towns. Our route will pass historic and colorful stops of interest, and will be simple and clearly described. The Gimmick Rally will be held the day after the TSD Rally, on a different scenic route, so you may enjoy participating in both rallies during Parade.

The Gimmick “questions” will be fun, creative and provide just enough challenge for everyone, with trophies awarded at the Tuesday night Rally Banquet. Rally teams may drive any vehicle, with a minimum of two participants per vehicle and a maximum dictated only by the number of seatbelts!

Note: PCA insurance restrictions prohibit participation by anyone who is NOT registered. Thus, you cannot have a friend or family member, adult or minor, “ride along” unless they are registered. There will be no exceptions.

## **Autocross – Tuesday and Wednesday, July 6<sup>th</sup> & 7<sup>th</sup>**

### **Autocross cost - \$30 per person**

The autocross will return to a two day format, giving plenty of time for all who want to participate. The 7 acre parking lot will provide plenty of room for an exciting and challenging course. New this year, we are planning a “chalk talk” instructional seminar to make this event fun and rewarding for the beginner and expert alike.

All Porsches entered in the autocross must pass the Parade Safety Technical inspection. Check the Parade schedule for time and place for the Parade Technical Inspection.

Registered Junior Participation Program (JPP) members and College Age Family Program (CAFP) members with a valid driver’s license may participate in the autocross in the same Porsche and same class as the parent(s).

The exact run schedule for the autocross cannot be determined until after registration but for planning purposes assume all Showroom Stock cars and some Production category cars will run on Tuesday with the balance of the Production category along with all Improved and Modified cars running on Wednesday. Therefore, if you are in the Production category, until you know specifically which day you are running, you should probably hold off on registering for other activities that take place during the day on these dates. The run schedule will be distributed with plenty of time before the June 23 registration deadline, allowing you to register for other activities once you know your run schedule. Showroom Stock entrants should feel comfortable to schedule activities on Wednesday, and likewise Improved and Modified entrants should feel comfortable scheduling activities on Tuesday.

Will the co-entrant participate in the Autocross? ☐ Yes ☐ No

Your autocross classification is dependent upon the data you entered for the Registered Porsche and the PCRs. See PCRs for further information. ## **Technical and Historical Quiz – Thursday, July 8<sup>th</sup>**

**Technical and Historical Quiz cost - \$15 per person**

The tech quiz will be a written test of your knowledge of general, mechanical, and historic aspects of the Porsche Parade model line. There will be 50 general questions that will be the same for all participants. There will be an additional 25 questions for specific model ranges from which you will choose which model range you want to take. And there will be seven tie breaker questions for everyone that will NOT count on your score, but will only be used to settle ties, if any.

The questions will be multiple choice, and true/false, and will have been reviewed by the technical committee for accuracy. The allowed time period will be 1 ½ hours.

Value of artwork in US\$ \_\_\_\_\_ For Sale? \_\_\_\_\_

If art is for sale, upon delivery of art to the Art Show, we will need information how a prospective buyer can contact you at the St. Charles Parade to discuss the sale.

See following sheet for additional information on categories of entries.

### **Amateur or Professional**

In PCA we are fortunate to have many Parade attendees who are professionals either by virtue of training and/or occupation or those who are able to find a market for their art. It is a long established policy of PCA to provide as great an opportunity as possible for Parade entrants to have a place to compete in the Art Show. For this reason, there is a long history of providing a competitive group for both professional as well as amateur artists.

*Criteria for Selecting the Professional Group* – If you have sold your art in the past three years, if you have an education preparing you for producing art, if you have a career in an art capacity or if you have art related items for sale in the Parade Goodie Store, you belong in the Professional Group.

### **Photography**

The growth of the use of digital cameras and digital imaging has raised questions regarding how the Parade Art Show should adapt to the current imaging environment. In response to entrant questions the categories were reviewed and three changes have been incorporated for the St. Charles Parade to provide more categories to compete. Each of these categories are described below to help an entrant in the photography categories correctly place their art in the proper category.

*Classic Photography* – This category includes original camera exposures on film and digital media. Scanned film media into digital files can be used. This category allows basic image manipulation such as cropping, contrast adjustment, brightness adjustment and spotting as well as the selection of image printing papers. No major elements of the original exposure can be removed and elements cannot be added to the image. Creative filters available in image manipulation software cannot be used. The produced image must represent camera generated photographic art.

*Enhanced Photography* – This category includes original exposures on film and digital media. Scanned film media into digital files can be used. This category allows the use of the manipulation tools of the *Classic Photographic* category. In addition photographers can use the creative techniques available in common image software programs for adding elements, removing elements of the original exposure and making major changes to lighting, colors and other software generated effects. The image entered in this category must represent camera generated photographic art.

Entries in the above two categories will be reviewed by the Art Show staff for compliance to the category requirements based on the art submitted. An entrant has the option to bring along to the parade their original camera exposure to show the staff should a question arise.

### **Computer Generated Art**

This category may include any of the techniques of the two photography categories without limits and may include any digital or art techniques. Entrants are not required to use original camera exposures or photographic images.

## Parade Kids

Your family will not want to miss the most family oriented Parade in years! Pheasant Run Resort offers three pools, basketball and tennis courts, a putting green, “The Swamp” video arcade and Ben & Jerry’s Ice Cream Shop. Be sure to join the fun at the Summer Splash Party with poolside DJ, games and prizes on Saturday July 3<sup>rd</sup> and Sunday the 4<sup>th</sup>.

Parade Kids will provide a full slate of activities including a Kids’ Meet and Greet, wild relay races, and lawn games at the Concours, and daily pool games including water volleyball and raft relay races. Be sure to join the fun at the traditional Remote Control Car races and Kids’ Autocross. Our daily craft project—the first is “Porsche Bling Art” and will be on display at the Art Show! Parade Kids will offer free group “karaoke” babysitting on Concours and Victory Banquet nights; kids will love being singing stars for a night!

We have big plans for teens and young adults including Summer Splash Parties, an Ice Cream Eating Contest, Pottawatomie Park’s Fireworks Celebration, pool volleyball and nightly hang-outs.

The Welcome Party, Rally and Autocross Banquets all have kid friendly menus and meal prices. If you plan to have your children attend the Meet & Greet, you should purchase Welcome Party meal tickets for them (and yourselves).

Will you have any children participating in Parade Kids? ☐ Yes ☐ No

You'll learn about the evolution of his career through a guided walking tour of the Frank Lloyd Wright Historic District. During the separate tour of the Wright Home and Studio (additional ticket, purchased at the Home & Studio Museum Shop), you'll see the interior dynamics, structural systems, and use of lighting and color that made Wright one of the world's great architects. The expert-narrated architecture tour will interpret the world-class architecture along the Chicago River. This tour spotlights more than 30 architecturally significant sites where you will discover a new perspective on the city. ### **Parade 2010 Lodging**

Join us this summer at the Midwest's charming Pheasant Run Resort & Spa; our host hotel for the 2010 Porsche Parade. Rated the Best Venue outside Chicago (35 miles west of O'Hare) by the Illinois Meeting & Events Magazine, this family owned resort in St. Charles has merged the style of Bourbon Street with Chicago's flare for culture to make for one genuine Illinois destination location. The Resort offers free internet access and lots of cozy spots to connect... or just to relax without that laptop!

Three options await (details at [www.pheasantrun.com](http://www.pheasantrun.com)):

Courtyard rooms: convenient to parking and the outdoor pool.

Golf Peninsula: complete with in-room microwaves & refrigerators.

Tower rooms: closest to the main building and indoor amenities.

PCA will take over the facility with its championship golf, multiple pools (indoor and outdoor) and a well stocked fitness center. It also has its very own Ben & Jerry's Ice Cream parlor! If that's not enough, find an exciting array of eateries on site including the new Jambalaya restaurant. Wrap up the day with a spa treatment at the Mario Tricoci Salon.

We have an alternate option across the street at the Hilton Garden Inn for those of you with a taste for brass & glass. This facility is offering the same pricing and is next door to the DuPage Expo Center, home to the indoor Concours prep and a venue for some of our events.

### **Rates**

All standard rooms at Pheasant Run (PR) and the Hilton are provided at our PCA group rate of \$122 plus 11% tax per night. Check-in time is 3 pm, check-out is noon.

This rate can be used for up to 3 days before & 3 days after official Parade dates if you wish to extend your stay. Our room block releases June 1 along with this special rate. After this date rooms will only be available at normal rates and are subject to availability.

### **Reservation Procedures**

You will not be eligible to book your room at our special rates until after you register for the Parade. Once you have registered, phone contact information and a link to the Pheasant Run web site along with an authorization code will be provided via email. (Please remember to update your email at [www.pca.org](http://www.pca.org).) A deposit of one night's stay is required to hold your reservation.

### **Guest Parking**

Parking is free throughout the resort. There is plenty of room adjacent to guest housing, as well as room for tow vehicles and trailers across the street in the Dupage Expo Center parking lot. See the Pheasant Run web site for details.
